Description

Welcome aboard the Aquatonic, a meticulously crafted 32ft Viking GRP Canal & River Cruiser (Hi Line Special) that seamlessly blends comfort, style, and practicality. Built in 2008, this compact yet spacious cruiser is designed to offer a perfect experience on the waterways, whether you're embarking on a weekend getaway or an extended voyage.

Step inside and you'll find 3 well-appointed cabins designed with space-saving solutions to maximise comfort. The main cabin features a fully functional galley, ideal for preparing meals on the go, with a Thetford Triplex Cooker, fridge freezer, sink, and taps – everything you need to dine in comfort. The layout is cleverly designed to offer all the essential facilities in a compact space, without sacrificing convenience or style.

Both the fore and aft cabins are equipped with comfortable sleeping accommodations, providing the perfect spaces to rest after a day of exploring. Each of these cabins also offers its own separate washing facilities, ensuring privacy and ease.

The dining seating area can be easily converted into a double bed, offering additional sleeping space if needed. This versatile feature makes the Aquatonic perfect for families or small groups, providing flexibility without compromising comfort.

For entertainment during your journey, the Aquatonic is equipped with TV/DVD units in both cabins, so you can unwind after a day of cruising with your favourite shows or movies. USB charging ports are available throughout the cruiser, allowing you to keep your devices powered, whether you're navigating the waterways or relaxing onboard.

With its cute and compact design, Aquatonic excels in maximizing the use of every inch of space, ensuring that you have everything you need for a comfortable stay on the water. The thoughtful layout and use of modern amenities make it a highly functional vessel, offering a relaxed cruising experience that is perfect for both beginners and seasoned sailors alike.

From the sleek design of its exterior to the practical features inside, the Aquatonic offers a perfect balance of style and function. Whether you're cruising along scenic canals or winding rivers, this vessel ensures you'll have a comfortable and enjoyable
