Description

As You Like It is a beautifully appointed 60ft x 12'6ft wide beam, built in 2022 by the award-winning Bespoke Boat Company—a true showcase of contemporary canal living at its finest. Currently moored at the stunning Shakespeare Marina, just a ten-minute walk from the heart of Stratford-upon-Avon, this exceptional boat offers a rare blend of luxury, space, and location.

Step aboard and you're immediately struck by the quality of finish throughout. From Amtico flooring and quartz worktops to stylish soft furnishings and thoughtful design touches, every detail reflects Bespoke's reputation for excellence (Crick Boat Show winners 2023). The open-plan galley and saloon are flooded with natural light thanks to a large fixed skylight, creating a bright, welcoming space that's perfect for both everyday living and entertaining.

The galley is as practical as it is impressive, featuring a Teknix LPG oven and grill, Thetford three-burner LPG hob, 240v fridge and freezer, dishwasher, wine fridge, and a generous island unit with substantial storage—ideal for those who love to cook and entertain aboard.

The saloon offers a relaxed and comfortable retreat with a double sofa bed and love seat, multifuel stove, large skylight, and a swan hatch on the starboard side, making it a versatile space for both cosy evenings and hosting guests.

Accommodation is equally well considered. The second bedroom includes a small double bed, wardrobe, and desk—perfect for guests or home working—while the master bedroom at the bow features a full double bed with a cleverly concealed TV, ample wardrobes and storage, and doors leading out onto the bow deck.

The contemporary bathroom is finished to a high standard, with his and hers countertop sinks, a full-size bath with overhead shower, Vetus 12v macerating toilet, heated towel rail, and plenty of storage—bringing hotel-style comfort to life on the water.

Additional features such as a bow thruster, solar panels, washing machine, and extensive storage throughout make *As You Like It* a superb option for luxurious liveaboard living or high-end leisure use. Immaculately presented and ready to enjoy, early viewing is
