Location:	Roydon Marina Village
Berths:	4
Length:	70ft
Type:	Widebeam
Year:	2011

Description

Baby Carla is a beautiful 70ft x 12ft widebeam canal boat crafted by the highly respected Viking Canal Boats in 2011. Designed with full-time living or extended cruising in mind, this spacious vessel boasts a smart and versatile two-bedroom layout with sleeping capacity for 4 to 6 people.

Step aboard and you'll find a beautifully laid-out interior designed with comfort and practicality in mind. The heart of the boat is a bright and open living space, complete with a fully equipped kitchen featuring a granite worktop and breakfast bar, gas oven with grill and hob, two 12v fridges, sink and drainer, extractor fan, and ample storage space with drawer units. Whether you're preparing dinner or enjoying a morning coffee with the side hatches open, you'll feel right at home.

Ideal for couples, families or those working remotely, Baby Carla includes a flexible second bedroom with a pull-out double bed, fitted desk, shelving, sliding door, and a small wardrobe - making it perfect for guests or use as a workspace.

A compact but cleverly designed bathroom includes a shower, basin, and 1 pump out and 1 cassette toilet for backup.

The master bedroom at the bow offers a fixed king-size bed, full-height double wardrobe, chest of drawers, overhead cupboards, and a wall-mounted TV, ensuring maximum comfort and storage.

Designed for off-grid living, the boat is fitted with solar power, a water filtration system, and a dedicated drinking water tap - making it a perfect choice for anyone seeking a more sustainable lifestyle. With heating throughout, a cosy lounge area, and generous living space, Baby Carla is as comfortable as she is capable.

Currently moored at Roydon Marina, this widebeam is ready for her next chapter - whether that's as a permanent home, a weekend retreat, or an adventurous way to explore the UK's inland waterways.

Get in touch today to arrange a viewing and discover what life aboard Baby Carla could look like.
