Type:	Narrowboat
Year:	2009

Description

Beautiful Day is a superbly presented 67ft cruiser stern narrowboat built in 2009 by the highly regarded Colecraft, with a quality fit-out by Darren Aldridge. Designed with both comfort and practicality in mind, she offers spacious liveaboard accommodation finished in warm oak throughout, creating a timeless and inviting interior.

Perfectly suited for extended cruising or full-time waterside living, Beautiful Day features a well-balanced layout including a generous walkthrough galley, a stylish refitted cross bathroom, and a cosy yet bright saloon. The addition of a comfortable cratch seating area at the bow provides a lovely spot to relax and enjoy life on the water, whatever the season.

The walkthrough galley is thoughtfully designed with extensive oak cabinetry, solid worktops, and ample storage, complemented by an inset sink with mixer tap, gas hob, built-in oven, microwave, and washing machine—ideal for everyday living.

Moving through to the saloon, you'll find a welcoming and comfortable living space centred around a solid fuel stove, with plenty of seating and natural light enhancing the warm oak finishes. A flexible dinette/workspace area offers versatility for dining, relaxing, or working from home.

The master bedroom is generously sized and features a cross bed, side tables, portholes, overhead reading lights, and excellent wardrobe and storage options, creating a peaceful retreat onboard.

The refitted cross bathroom (2021) is modern and well-appointed, boasting a large walk-in shower, vanity basin, cassette toilet, stylish tiled finishes, and durable Karndean flooring.

With berths for four and a practical, flowing layout from stern to bow—cruiser stern, bedroom, bathroom, galley, saloon, and cratch seating—Beautiful Day is a fantastic example of a well-maintained and thoughtfully designed narrowboat, ready to step aboard and enjoy.
