Darstur No 6

Price: £25,000

Key Features

Location:	Barton Marina
Berths:	2
Length:	40ft
Type:	Narrowboat
Year:	1991

Description

Darstur No 6 is a charming 40ft traditional stern narrowboat built in 1991 by M & N Marine, currently moored at the beautiful Barton Marina. This bijou and characterful boat offers a warm, traditional feel while being thoughtfully equipped for comfortable living — whether as a full-time home, holiday getaway, or weekend retreat. Early viewings are highly recommended to appreciate everything she offers.

Boarding from the traditional stern, you first enter the engine room, preserving that classic narrowboat heritage and giving practical access to the heart of the boat.

Moving forward, the master bedroom features a fixed double bed, wardrobe, and additional storage cupboard, providing a comfortable and well-organised sleeping space for two.

The bathroom is neatly arranged and includes a basin, shower, and electric flush toilet, offering modern convenience within a compact footprint.

The galley is well positioned and equipped with a gas oven, fridge, and sink, providing everything needed for day-to-day cooking onboard.

At the bow, the cosy saloon offers built-in bunk/seating, clever storage solutions, and a Morso Squirrel multi-fuel stove — creating a welcoming focal point and a wonderfully snug atmosphere during cooler months.

With two berths, a traditional layout, and a sought-after mooring location at Barton Marina, Darstur No 6 is a delightful narrowboat full of charm and practicality. She presents a fantastic opportunity for anyone seeking an affordable and characterful way to enjoy life on the water.
