Description

Welcome aboard Firebird, a stunning, beautifully refurbished 57ft traditional stern narrowboat that combines the strength of a Tim Tyler (Tyler Wilson) hull with a high-quality, fully bespoke interior refit. Powered by the reliable Beta Marine 38hp engine, Firebird is as practical as she is stylish. Originally built in 2003, Firebird has undergone a complete transformation in recent years. The hull and superstructure were stripped back and treated with two coats of Jotun two-pack epoxy plus new anodes in March 2022, ensuring excellent protection below the waterline. In 2025, the roof and side panels were professionally repainted, giving the boat a fresh, modern look. Internally, everything has been carefully redesigned and refitted to a very high standard, presenting the boat in "as new" condition. Whether you're seeking a full-time liveaboard or a stylish leisure craft, Firebird offers stunning contemporary comfort and long-lasting build quality. The galley was fully refitted in March 2022 and has been designed with both practicality and

modern style in mind. It features Corian worktops, a full-sized freestanding 4-burner cooker with oven and grill, a 70/30 fridge freezer, and a stainless steel sink with mixer tap. With ample storage in cupboards and drawers, this is a well-equipped space perfect for extended cruising or everyday living. Light floods into the saloon through three large double-glazed roof panels, creating a bright and airy living space. A bubble corner solid fuel stove with tiled surround makes a cosy centrepiece, complemented by a custom-built L-shaped upholstered sofa and a large matching armchair. A large smart TV with remote control is included, alongside under-gunnel mood lighting and plenty of built-in storage. This is a versatile, comfortable space ideal for relaxing or entertaining. Completely refitted in 2025, the bedroom features an extendable double bed with a brand new mattress (2025) for maximum comfort. There's also a full-sized wardrobe and generous storage solutions, making the space both functional and inviting. Also refurbished in March 2022, the bathroom is stylish and practical. It includes a ceramic cassette toilet, ceramic washbasin set over a Corian-topped vanity unit, and an extra-large shower enclosure with glazed doors. High-quality finishes make this space feel modern and refreshing. Firebird is a stunning opportunity to own a beautifully renovated narrowboat, carefully and professionally refitted inside and out....
