Description

Discover Genesis, a charming 60ft Dutch Barge Replica built in 2008 by the esteemed Sagar Marine. Showcasing classic décor and generous living spaces, this distinctive vessel blends traditional elegance with the opportunity to make it your own.

Designed with both comfort and functionality in mind, Genesis offers a thoughtfully arranged layout stretching from stern to bow: aft cabin, wheelhouse, engine room, galley, saloon, bathroom, and master bedroom. The expansive stern/wheelhouse is a standout feature—perfectly suited for entertaining or unwinding, complete with a table and ample seating for relaxed socialising.

Cook with ease in the well-equipped galley, which includes a Belling built-in double oven, microwave, 4-burner hob, and 24v fridge and freezer—everything you need for comfortable onboard living.

The master bedroom is a peaceful retreat, featuring a king-size bed, two wardrobes, and dressing tables. It offers generous storage space and a cosy atmosphere for rest and relaxation.

The aft cabin serves as a flexible second bedroom with two single beds, wardrobe, toilet, sink, and shower, making it ideal for accommodating guests or family.

The main bathroom is stylishly finished and equipped with a shower over bath, airing cupboard, basin, and macerator toilet, combining practicality with comfort.

Brimming with character and potential, Genesis is ready to be shaped into your dream home on the water. Whether you're planning to cruise the canals or settle into a unique liveaboard lifestyle, this barge offers both charm and opportunity in equal measure.
