The saloon offers a cosy retreat with a multi-fuel stove, a brand-new two-seater sofa, and a display unit for additional storage. The dinette includes useful storage beneath the seating and easily converts into a single berth, allowing the boat to comfortably accommodate up to three people.

The bedroom features a comfortable double bed with generous storage beneath, a hanging rail for clothing, and a side hatch to starboard for additional ventilation and natural light. Newly made porthole bungs and fresh bedding complete this inviting cabin.

The bathroom is compact yet functional, comprising a shower with curtain, cassette toilet, and wash basin.

Powered by a reliable four-cylinder Thornycroft BMC water-cooled engine with a PRM gearbox, Jigsaw offers dependable cruising performance. She also benefits from a 400-litre water tank, repainted in 2023.
