

June Rose - Narrowboat

£49,995

🌀 Located at Roydon Marina Village

🌀 2 Berths

🌀 Length 57ft

🌀 2008

Description

June Rose is a well-presented 57ft reverse-layout cruiser stern narrowboat offering a great opportunity for anyone looking to step into life on the water. Built in 2008 by the highly regarded Piper Boat Builders, she provides a solid and practical base for cruising or comfortable living afloat. Powered by a Beta Marine 37.5hp engine and supported by a Victron inverter and battery setup, the boat is well equipped for day-to-day use. Inside, the recently installed kitchen and well-arranged interior provide a strong foundation for further personalisation, making June Rose ideal for buyers looking for a boat they can enjoy while adding their own finishing touches.

Entering from the cruiser stern, the boat opens into the galley. This area features a newly installed kitchen with a freestanding cooker and a 12v fridge/freezer. There is also a sink and drainer with cupboard storage beneath and around the workspace. The galley is finished with herringbone style flooring, which gives the space a smart and modern feel while providing a practical surface for everyday use onboard.

Moving forward from the galley, the saloon offers a comfortable living space with plenty of room to relax. A Morso multi-fuel stove provides a focal point for the room, while radiators run along the wall to assist with heating. The space has recently had brand new carpet fitted, giving it a fresh and inviting feel. The open floor space allows for flexible furnishing depending on how the next owner wishes to use the area.

The walk-through bathroom includes a quadrant shower, a cassette toilet, and a sink set within a vanity unit. A heated towel rail is also fitted, along with two shelves and a small cupboard located next to the shower for additional storage.

At the bow of the boat is the bedroom, which features a double bed with underbed storage. The cabin also includes a vanity desk with mirror, creating a useful space for getting ready or working from the boat. Two wardrobes provide storage for clothing and personal belongings, making the bedroom a practical and comfortable retreat.

June Rose offers a well-laid-out interior with recent updates and plenty of potential, making her an appealing option for anyone seeking a 57ft narrowboat with the opportunity to add their own style.
