Description

Kizzie is a beautifully presented 58ft Cruiser Stern Narrowboat, built in 2007 by Amber Boats. Designed with comfort and practicality in mind, she offers a spacious and welcoming layout that is ideal for both leisure cruising and extended stays aboard.

The well-equipped galley features a microwave, gas hob, fridge, ample storage space, and a useful corner cupboard, making meal preparation easy and convenient. The open-plan saloon provides a warm and homely atmosphere with a comfortable sofa, shelving, dining table and chairs, along with a charming wood-burning stove for cosy evenings afloat.

The master bedroom benefits from a double bed with extension, fitted wardrobe, two cupboards, and reading lights above the bed, creating a comfortable and relaxing retreat. A versatile L-shaped dinette offers additional seating and dining space with interchangeable tables, perfect for entertaining guests or enjoying meals onboard.

The bathroom is fitted with a full-sized shower unit and pump-out macerator toilet, while the walkthrough area can be closed off for added privacy.
