Description

Step aboard Lord of the Dance, a beautifully crafted 60ft traditional narrowboat that has been fully refitted to offer a bright, spacious, and flexible living environment. Designed with comfort and practicality in mind, this four-berth vessel is perfect for relaxed cruising along the waterways, whether for a weekend escape or an extended adventure. With its warm wooden interior, thoughtfully designed storage solutions, and open-plan layout, Lord of the Dance provides a welcoming and functional space for life on the water.

The galley has been cleverly designed to maximise both functionality and aesthetics, featuring a stylish splashback wall that adds a modern touch to the traditional wooden finish. A fully equipped cooking area ensures convenience with a cooker, a stainless steel sink with a drainer, and ample cupboard space. A swan hatch with fixed steps not only provides easy access to fresh air and scenic views but also doubles as additional shelving for storage. The galley is completed with 240v sockets, offering practical power solutions for small appliances.

Stepping in from the front doors, the living area is a bright and inviting space that makes the most of the boat's width. The drop-down leaf table provides a convenient dining or work area while allowing the space to remain open and uncluttered when not in use. A traditional Boatman's stove adds warmth and character, making this area a perfect place to unwind. The open-plan design ensures a sense of space and light, making the lounge a cosy and functional retreat.

The boatman's cabin offers a versatile sleeping arrangement with a single bed that pulls out to create a comfortable double. Smart storage solutions include built-in compartments and a coat hanging area, ensuring there is ample space to keep belongings tidy and accessible.

The master bedroom is designed with both practicality and comfort in mind. Featuring bunk beds, this room provides flexible accommodation while maintaining a sense of space. A drop-down table creates a handy surface for reading, working, or simply enjoying a quiet moment. USB sockets allow for convenient charging of devices, while pull-out drawers at the base of the bunks and additional storage on the partition wall ensure that every inch of space is utilized efficiently.

The onboard bathroom is well-equipped for life on the water. A cassette toilet provides a practical solution for waste management, while the shower ensures the convenience of freshening up after a day of cruising. A sink with storage underneath offers additional space for toiletries and essentials, keeping the area neat and organized.

With its warm wooden interior, open-plan design, and smart storage solutions, Lord of the Dance offers a perfect balance of traditional charm and modern convenience. Whether you're an experienced boater or new to life on the waterways, this 60ft narrowboat promises comfort, practicality, and the perfect setting for your next adventure.
