Description

Step aboard Louise, a stunning 64ft 6" traditional narrowboat built in 1989, where every corner of the vessel has been thoughtfully designed to offer both character and comfort. Her striking traditional stern and hull design evoke a timeless nautical charm, while the interior is a perfect blend of vintage charm and modern conveniences. The reclaimed boatman's cabin is a true feature—an authentic and captivating space that serves as both an invaluable storage area and a conversation starter. With newly installed flooring and double-glazed windows throughout, Louise has been lovingly upgraded to create a bright, airy, and homely environment that's perfect for long stays on the water. The galley is a masterpiece of design, merging the traditional with the practical. Featuring the reclaimed boatman's cabin as a stylish and functional storage solution, the galley offers a wealth of space for your cooking essentials. A large, continuous worktop provides ample room for meal prep, while the sink and taps offer convenience. The 4-burner gas hob ensures you can cook up a feast, and the drop-down dining table/serving area provides a versatile space for enjoying meals or entertaining guests. A unique duck hatch adds an additional touch of character, inviting fresh air and natural light into the space. The lounge area is spacious and more generous than most narrowboats, creating a welcoming place to unwind. The new flooring and double-glazed windows flood the room with natural light, creating a warm and inviting atmosphere. Fin radiators
