£150,000

🌀 Located at Saul Junction Marina

🌀 2 Berths

🌀 Length 60ft

🌀 2020

Description

Experience the ultimate in waterborne living aboard Autumn, a meticulously crafted 2020 Widebeam canal boat. Built by Collingwood and uniquely outfitted by its previous owner, this vessel combines robust engineering with a bespoke interior that caters to both comfort and elegance. As you step onto the rear deck of Autumn, you're greeted by a thoughtfully designed space that leads seamlessly into the kitchen. This culinary haven is equipped with high-end appliances including a five-burner hob, double oven, and a separate undercounter fridge and freezer. An island breakfast bar with stools makes for a sociable cooking experience, complemented by rich wood countertops that add a touch of warmth. Moving forward, the saloon invites relaxation with its roof lantern that bathes the space in natural light, a luxurious three-piece suite, and a Samsung 50" television. A built-in Bluetooth stereo with ceiling speakers ensures that entertainment is never far away, enhanced by under-gunnel smart lighting and a state-of-the-art 5G router. The tranquillity extends to the master bedroom, where a built-in king-size bed promises restful nights. Fitted wardrobes and bedside tables with charging plugs offer convenience, alongside a 32" TV for private viewing. Ambient lighting sets the mood, crafted from 12v LED ceiling lights. The bathroom rivals any high-end home with its full-size walk-in shower, complemented by an extractor fan and a whale gulper pump. A washing machine, sink with vanity unit, and low-level composite shower tray add

functionality, while a Jabsco deluxe electric toilet rounds out the amenities. Autumn is powered by a robust Canaline 52hp engine paired with a PRM 150 gearbox, and navigational ease is ensured by a Vetus 95kg bowthruster. The vessel's utility systems are equally impressive, featuring a 12V and 240V electrical setup with a Sterling procombi inverter and a generous 1300kw solar panel array. Safety is paramount aboard Autumn, with a recent boat safety certificate and a last blacking in April 2024 using durable 2 pac epoxy. Additional features like an Aquafax galvanic isolator and comprehensive external covers, including a rear canopy, provide both protection and peace of mind. This boat comes generously equipped with numerous extras, including an anchor, life jackets, mooring pins, ropes, and chains, as well as walkie-talkies for easy communication. Every aspect of Autumn has been considered to ensure a seamless blend of luxury, functionality, an...
