Description

Beautifully crafted and exceptionally well equipped, Pelerin is a 66ft traditional stern narrowboat built on a renowned Reeves hull with a premium fit-out by Kingsground. Designed for comfortable long-term cruising or residential living, this impressive boat combines classic craftsmanship with modern off-grid capability.

Finished in solid wood throughout, Pelerin offers a warm and welcoming interior with thoughtful detailing, generous storage, and a practical layout from stern to bow comprising: back bedroom, master bedroom, bathroom, dinette, galley, and saloon.

The spacious galley is fitted with handmade wooden units and provides excellent storage, including overhead cupboards. Appliances include a 12v Fridge Master fridge, Thetford oven and grill, and a separate Thetford four-burner hob, making it ideal for extended cruising and onboard living.

The comfortable Pullman dinette features under-seat storage and a built-in wine rack and can easily convert into an additional double berth, allowing accommodation for up to five people. The saloon provides a relaxing social space with plenty of character and

charm.

The master bedroom includes a pull-out super king-sized bed, wardrobe, airing cupboard, and overhead storage. A second cabin at the stern currently features a raised bed platform and offers flexible use as an additional bedroom, office, or storage area.

The bathroom is fitted with a Jabsco Quiet Flush pump-out toilet, shower cubicle, vanity sink unit, and additional storage.

One of Pelerin’s standout features is its exceptional cruising specification. The boat benefits from large water, fuel, and waste tanks alongside a comprehensive electrical system with 1200W of solar panels and lithium batteries, providing excellent off-grid capability and energy independence.

Powered by a reliable Beta Marine 43 engine with PRM 150D gearbox, Pelerin is a highly capable and beautifully presented narrowboat, equally suited to continuous cruising, extended holidays, or full-time living aboard.
