Description

Shaken Not Stirred is a beautifully presented 60ft x 12'6ft wide beam, built in 2023 and fitted out by the current owner to an exceptionally high standard. Designed with comfortable, modern living in mind, this impressive wide beam offers a thoughtfully planned layout that flows effortlessly from stern to bow, making her ideal as a stylish liveaboard or luxurious long-term cruising home.

Step aboard via the pram-covered square cruiser stern, offering sheltered outdoor space for relaxing or entertaining. Inside, the heart of the boat is the stunning bespoke Howdens island galley, finished with elegant quartz worktops and a superb range of integrated appliances including a dishwasher, washer/dryer, wine cooler, fridge and freezer. The island features a three-burner gas hob and breakfast bar with seating, creating a sociable space that is as practical as it is visually striking, with ample cupboards and drawers providing excellent storage throughout.

The open-plan saloon is warm and inviting, centred around a large L-shaped sofa and complemented by a super-size smart TV and a

Reflex diesel stove for cosy evenings aboard. Under-gunnel mood lighting and well-designed display cabinets add to the contemporary feel while maintaining a calm, comfortable atmosphere.

Moving forward, the walk-through bathroom is finished to a high residential standard, featuring a spacious walk-in shower, his and hers ceramic wash basins, a pump-out toilet, shaver point, large mirror and generous built-in storage. Beyond, the bedroom provides a peaceful retreat with a king-size bed, subtle down-lighting, a large smart TV and a superb walk-in wardrobe/dressing room, along with additional cupboards and drawers for practical everyday living.

With approximately 4 berths, generous tank capacities (500L water, 250L waste, 500L fuel), and full RCD/RCR compliance with PCA and CE plate attached (December 2025), Shaken Not Stirred offers reassurance as well as refined comfort. Built by Collingwood and expertly fitted out by the owner, she represents an outstanding opportunity to acquire a modern wide beam that blends contemporary design with practical, high-quality craftsmanship.
