Description

Experience the charm of Shattered, a delightful 50ft cruiser stern narrowboat, thoughtfully designed to combine practicality with a cosy atmosphere. This 1999 boat features four berths and a welcoming layout that effortlessly blends relaxation with functionality. Ideal for weekend escapes, extended cruising, or life on the water, Shattered provides ample space and character, waiting for the right owner to bring it to life with personal touches and updates.

The galley is both functional and inviting, outfitted with everything you need to prepare and enjoy meals while afloat. A Stoves oven and grill, accompanied by a 3-burner gas hob, provide versatility for all your cooking adventures. The stainless steel sink with a double base unit allows for easy prep and cleanup, while the LEC 240v fridge keeps your provisions cool. Finished with wood-effect countertops and a rustic pine cupboard, the galley's blend of style and storage makes it a practical centrepiece for the boat.

Leading on from the galley, the lounge area offers a welcoming, open-plan space where you can relax or entertain. The small double bed settee doubles as additional sleeping space for guests, while the corner TV unit and shelving add storage and convenience. Centred around a cosy log burner, this lounge is carpeted for extra warmth and comfort, creating a homely feel that invites you to settle in and unwind.

The dinette area offers a flexible, multi-functional space with a table and four folding chairs, perfect for meals, games, or working from the water. For added room, the table folds down, offering extra space and adaptability in the living area.

At the rear of the boat, the master bedroom offers a spacious and comfortable retreat. Two single beds can be converted into a luxurious, extra-large double, stretching the full width of the boat for restful sleep. With four large drawers beneath the beds, a dressing table, and a wardrobe, storage won't be a concern here. This peaceful, well-organised bedroom is perfect for those seeking comfort and space.

The bathroom is thoughtfully designed as a walk-through space, making it easily accessible. A small bath with a shower attachment provides relaxation options, while the Thetford cassette toilet and a washbasin with storage underneath add practicality to the
