Description

Welcome aboard Spirit of Enzo, a beautifully presented 24ft Atlanta GRP Cruiser that has undergone an extensive refurbishment and is offered for sale in exceptional condition. Benefiting from approximately £7,000 worth of hull refurbishment work completed in Autumn 2024, with invoices available, alongside a comprehensive interior refit featuring stylish Amtico flooring throughout, this vessel presents more like a boat just a few years old rather than a 1996 model. With comfortable accommodation for up to three people, modern onboard systems and a practical layout, Spirit of Enzo is an ideal choice for weekend cruising, holidays on the waterways or first-time boat ownership. Located in the bow of the vessel, the bright and inviting saloon provides a comfortable space to relax and enjoy life afloat. The recently re-upholstered V-shaped seating creates a welcoming lounge area during the day and easily converts into a spacious double berth in the evening. Large windows allow plenty of natural light into the cabin, enhancing the feeling of space and creating a pleasant environment for cruising or overnight stays. Positioned centrally within the cabin, the dinette offers a practical dining and socialising area. The table and seating arrangement is ideal for enjoying meals onboard and can quickly be converted into a comfortable single berth when additional sleeping accommodation is required. This flexible space makes excellent use of the boat's interior while maintaining a bright and open feel. The well-equipped galley has been thoughtfully

designed to maximise both functionality and storage. It features a gas oven with grill and hob, a 12-volt fridge/freezer, a recently refurbished Paloma instant hot water heater, and a sink with mixer tap. Generous worktop space and an excellent range of cupboards provide ample storage for provisions, cookware and everyday essentials, making meal preparation onboard both convenient and enjoyable. The bathroom offers everything needed for comfortable cruising and overnight stays. It includes a good-sized shower, a Porta-Potti cassette toilet that was replaced in 2025, and useful storage space for toiletries and personal items. The practical layout ensures the facilities remain comfortable and easy to use while making the most of the available space. The cruiser stern provides an excellent outdoor space for enjoying the waterways, whether cruising or moored. It is protected by a high-quality full Amtrim pram cover, creating addit...
