Description

Experience true freedom on the water with Uisce Beo, a stunning 58ft cruiser stern narrowboat built in 2023 by Tristar for effortless, off-grid living. Designed by seasoned boaters, this bespoke vessel combines cutting-edge systems, elegant craftsmanship, and thoughtful design for year-round comfort and independence.

Every detail of Uisce Beo has been created for a life without compromise. The advanced off-grid setup includes a Water Freedom filtration system, Compoost toilet, 1.92kW solar array, lithium battery bank, and a Hybrid Marine parallel diesel/electric system with a Beta 43 engine—allowing for clean, silent cruising and minimal engine use, even through winter. Her gas-free, all-electric design offers safety, simplicity, and abundant storage, while double glazing, spray foam insulation, and efficient diesel heating ensure warmth and dryness in every season.

Inside, the reverse layout creates a light-filled, open living space with a luxury galley featuring Bosch, Neff, and De Dietrich appliances, custom walnut worktops, and clever storage throughout. The comfortable saloon offers a hidden Samsung Smart TV on

a remote lift, parquet flooring, and soft ambient lighting, leading seamlessly to a Pullman dinette that converts into an additional double berth. The bedroom provides a peaceful retreat with a pull-out double bed, heated wardrobes, and warm, natural finishes, while the stylish bathroom includes a thermostatic shower, stone-effect basin, underfloor heating, washer/dryer, and a bespoke art installation by Kathryn Webley.

Modern technology and convenience extend throughout the boat, with onboard Wi-Fi, Google Mesh routers, solar-powered security cameras, motion-sensing cabinet lighting, a heated coat locker, and full equipment manuals. Outside, the fully enclosed cruiser stern and Tek-Dek decking provide ample space for socialising, with custom weatherproof cushions and generous storage in both bow and stern lockers.

Currently moored at Shakespeare Marina, just a short walk from the heart of Stratford-upon-Avon, Uisce Beo is a proven, high-spec narrowboat ready to cruise today. Designed for sustainability, comfort, and complete self-sufficiency, she offers a rare opportunity to enjoy luxury living afloat—anywhere, anytime.
