Description

Currently moored at the beautiful Shakespeare Marina, Woody is a charming 58ft cruiser stern narrowboat with a warm and inviting atmosphere. Built and fitted out by ABC Leisure Group Limited, she began life as a hire boat and has since been carefully maintained, making her an ideal choice for anyone looking for a comfortable liveaboard or a relaxing holiday retreat. Recently blacked and surveyed, Woody also benefits from a brand-new pram cover and offers generous storage throughout, ensuring both practicality and ease of living.

Stepping aboard from the stern, you are welcomed into the saloon, where a brand-new log and coal burner creates a cosy focal point. This space is furnished with two comfortable swivel chairs and a wall-mounted TV with sound bar, making it the perfect place to relax and unwind after a day on the water. From here, the boat flows into the fully fitted galley, equipped with an oven, fridge, microwave and ample storage, designed to make day-to-day living and meal preparation simple and enjoyable.

Woody has two inviting bedrooms. The first is situated mid-boat and features wardrobe storage with convenient access to a

separate cloakroom and toilet. The second lies at the bow and offers built-in wardrobes, shelves with integrated lighting above the bed, and its own shower room. This bedroom also benefits from direct access to the bow, allowing plenty of natural light and a sense of openness.

The boat’s bathrooms are designed with both practicality and comfort in mind. The mid-boat cloakroom offers useful facilities, while the larger bathroom at the bow includes a hip bath with shower over, shelving, new curtains, a toilet, and an adjustable wall-mounted mirror, providing everything needed for a relaxed stay on board.

With a thoughtful layout running from stern to bow – saloon, galley, cloakroom, first bedroom, shower room, second bedroom and finally the bow – Woody combines character, comfort, and convenience. She is a wonderful example of a well-kept cruiser stern narrowboat and is perfectly suited for both couples and families looking to enjoy life on the waterways.
